## EXPERIENCE

### KHABAI TECH | Full Stack Developer

May 2020-Present

### KHABAI TECH | Web Developer Intern

January 2020 - April 2020

## PROJECTS

- **MY PORTFOLIO:**

I designed my own portfolio using HTML, CSS, JavaScript, Bootstrap and also included Google Forms and Google Maps in my website.

- **DIGITAL INVITATION CARDS:**

I designed beautiful digital invitations for your auspicious events to make it memorable for you and your guests. I include Location Route Map that guide your guests to reach the venue on time wherever it is.

- **QUIZ: VISIT THE NASA:**

20 SEP 2020 – 21 SEP 2020 (Developed in Hackathon)  
This project is designed for those people who want to know about NASA using VB.NET and SQL. They could play the Quiz online in both mode: Fill in the blanks & MCQs. They also give their answers by voice recognition and users can also see their results.
